Coaching-Staff

It was **Siegfried Gehrke** who initiated the establishment of the UNICORNS in 1983. Three years later, the UNICORNS juniors entered their first official season coached by Gehrke. Until 1990, his last year as a player, he has primarily been responsible for the junior team. In 1991, he took the head coaching job for the first team. Overcoming the ups and downs of his early head coaching years, Gehrke has led his team from the Oberliga to the GFL in 2001.

In 2003 and 2004 he coached the junior team again and also helped the players and coaches of the flaggies team as an assistant coach whenever he could. Siegfried Gehrke is one of few German coaches who is widely accepted and dearly welcomed as a guest speaker at coaching clinics and seminars of the football association.

Excerpt from the GREEN BOOK (published in 2008 for 25th anniversary of the UNICORNS)

When it comes to football in Schwäbisch Hall, **Siegfried Gehrke** is the man. They even call him "Mr. Football". But he is a lot more than that. It's not only due to him that the Unicorns exist. Since the establishment of the club, Sigi has been the driving power both on and off the field, rejecting not even the lowest job of all jobs for "his" Unicorns. His exceptional optimism, affixed to the ability to start and finish things, has been the key factor in the developing process of the Unicorns. There is a multitude of significant examples such as structuring the junior program, the integration of American college players, organizing the latest Schwäbisch Hall high school flag tournaments and the launching of the Bambini-Flag team.

"I never was a great player myself", Sigi claims, although he scored 105 points for the TSG in his career and played multiple positions on the offensive side of the ball. He found the real challenge as a coach on the sideline. While being responsible for the junior team from 1985 to 1990, he eventually took over the head coaching job of the first team in 1991.

In 2003 and 2004 he coached the junior team again and also helped the players and coaches of the flaggies team as an assistant coach whenever he could. He was engaged as a board member working as president temporarily, youth leader in 1990 and vice-president from 1986 to 1993.

Siegfried Gehrke lives American Football like no other. Like a football workaholic, he obsessively spends innumerable days and nights analyzing game footage, drawing up plays or scheduling training sessions. 25 years ago he himself could only understand some parts of the complexity of football, but in the meantime he has become one of few German coaches, who is widely accepted and dearly welcomed as a guest speaker at coaching clinics and seminars of the football association.

If the Unicorns had to thank one person for what they have become today, it could only be **Siegfried Gehrke!**

The UNICORNS Season 2014

Half way through the season it did not seem very likely to see the Schwäbisch Hall UNICORNS back in the German Bowl in 2014 – their 3rd trip to the big finale after 2011 and 2012. A hard-fought victory at Munich (26:30) and a loss at Saarbrücken (38:22) marked the beginning of an unpromising season. Despite the walkover versus the Franken Knights (19:55), the UNICORNS had to accept another tough loss (24:27) the following week against Marburg.

Different reasons contributed to a poor 2-2 start of the 2014 UNICORNS season. Offensive Coordinator Jordan Neuman, who had come back to Schwäbisch Hall in winter after spending three years with the Vienna Vikings, had to make several adjustments on the offensive side of the ball by building his offense around Quarterback Marco Ehrenfried, who had also come back to the UNICORNS in winter. By signing a strong Runningback like Marcus Sims it was attempted to rebuild a solid running game, much stronger than in the past.

Injuries have also taking its toll in the early struggles. Thomas Hambalek was injured in pre-season while Kyle Linville, the new US receiver, played only one quarter at Rothenburg before he was injured and also diagnosed out-for-season. Felix Brenner's injury in the game against Japan for the national team added to the list. Only the loss of Linville could be compensated by signing Will Powell. Until Powell could actually play for the UNICORNS due to the 5-game prohibition for the late transfer, Fritz Waldvogel made a flying visit to Schwäbisch Hall, where he not only brought back great memories of the German Bowl victory in 2012 but also helped out the UNICORNS by playing three games in 2014.

In order to defend the South Championship with a 2-2 record, the rest of the ten games had to be victorious. With a three-week break due to the European Championship in Austria it seemed to be right amount of pressure for the team. Six UNICORNS players and coach Jordan Neuman came back to GFL football with the confidence of a European Champion, Quarterback Marco Ehrenfried in particular. From now on, Ehrenfried felt increasingly both confident and comfortable on the field and led his Offense to a winning streak. In addition, the UNICORNS defense showed considerable improvements and was ready to back up their team whenever the offense had to count on a defensive stop.

Along the way, the UNICORNS have finally found their spirit: Clear victories in both games against the undefeated Stuttgart Scorpions as well as in the important game at Marburg have led the UNICORNS to their fifth South Championship (fourth in a row). Schwäbisch Hall was now ready for the playoffs on their home field.

The Kiel Baltic Hurricanes came to visit and their long trip must have felt even longer on the way back home after the 50:24 defeat. The semi-final against the Dresden Monarchs, however, marked the latest halt of the UNICORNS upward trend. Despite plenty of mistakes and four turnovers, Schwäbisch Hall was unwilling to be defeated and managed to get away with a 33:27 victory.

The course of the season and the last game versus Dresden makes the UNICORNS the underdog in this year's German Bowl against the Braunschweig Lions, who have played a phenomenal season so far. Being the underdog is neither new nor inconvenient for the UNICORNS. In the 2011 and 2012 final, the Kiel Baltic Hurricanes were also winning the game on paper. But in both cases it were the UNICORNS who won the trophy and you never know: All good things come in threes.
